

Awards

Completed Course Awards

Use your record card to keep a note of each course you complete. Get your coach or the event organiser to sign your record card each time, and when you've completed 5 courses, you'll get your first badge! Further badges are available for 10, 25, 50 and 100 courses.

Colour Coded Awards

You can gain awards for competing in colour coded events. For White, Yellow and Orange courses, you can compete on your own or as a pair.

- * To gain a White badge, you simply have to complete 3 White courses.
- * For a badge on all other courses you need to complete 3 courses within 50% of the winner's time or finish in the top 50% of the finishers.

Use your Orienteering Record Sheet to keep track of whether you have gained a badge standard for each event, then contact the club secretary to ask for your free badge.

Other Awards (formerly Colour-coded and Badge awards)

These are currently under review. An updated page will be available when the decision regarding awards is made.
