BOF 2012 membership status. Please pay the fee that you expect will match your BOF national/local membership status at Easter. This will allow a check just prior to Easter of fees paid versus membership status as recorded in BOF records. Any under-payment of JK fees will be collected in cash at Registration.

IOF membership refers to membership of a national orienteering federation that is affiliated to the IOF.

The Junior entry fees are applicable to all juniors aged under 20 on 1 January 2012. Students are also eligible for the Junior entry fees, regardless of age class, but may be asked for proof of student status.

Late entries after 11th March 2012 may be accepted by the Entries Secretary (jk2012entries@scottish-orienteering.org) but will depend on map availability.

Entries for the Colour Coded Courses will not be accepted after 11th March 2012, but competitors can take part by entering on the day, subject to the availability of sufficient maps.

Cancellations up to 11 March: 75% refund will be given; after that date, no refund will be given.

Competitors take part at their own risk. Entries will be processed by computer. Completion of this form implies your agreement.

Please ask the Entries Secretary to amend postal entries (the competitor cannot edit the online system if they have entered by post).

Disclaimer

I confirm the following:

- That all competitors I have entered fully understand that the event will be staged under the British Orienteering Rules and for the IOF World Ranking Events that they are held under the rules of the International Orienteering Federation.
- My agreement that the organisers reserve the right to retain all or part of the entry fees in the event of JK2012 being cancelled or curtailed.
