

ID Checkers for Scottish Orienteering Association

When you apply to join the PVG Scheme or for a Record Update, you must get your identification checked by an authorised person.

Any of these people can check the ID documents for any SOA club member who is applying for PVG Scheme membership (or Scheme Update Record) for regulated work for a club affiliated to SOA. This list will be updated at intervals. Approximate location is given so you have an idea who is nearest to you.
