

ONE THING YOU WILL DO OR DO DIFFERENTLY NOW:

(comments from Hilary are in brackets)

- Pass on knowledge & skills, delegate to others
- Do less, support more
- Get committee members to swap roles
- Get juniors to make a “come and try orienteering” banner
- Create job descriptions for club roles/committee (templates will be available very soon)
- Make sure club feather banner goes to all evening events
- Tag a Try-O event onto a local park run
- Promote “join on the spot” option
- Create event manual (steal from available examples! see <http://www.scottish-orienteering.org/soa/page/information-sources-for-event-officials>)
- Develop mentoring for new planners & organisers etc.. (plans are afoot for SOA-wide structure on this – if you have particular expertise I’d be pleased to hear from you)
- Consider how to increase membership
- Raise awareness at events of need to join after 3 goes
- Promote capturing of new members at events
