

SOA Puzzle 35

Round the World

Identify the famous geographical features around the world marked on the Score Map below. Thanks to Dave McQuillen from SOLWAY for this global orienteering challenge.

Round the World Circles are all (roughly) on significant or famous geographical features, though the planner has taken a few liberties with the symbols in the Control Description sheet

Scale: Who knows What are the features? e.g. Start: Bermuda Triangle

Uncrossable boundary (planned)

Round the World		Score		80 Days	
▶		↑	☺		☉
10	31	☺
