## Tour of Scotland - Binning Wood

### Spot the Difference

Can you find 20 differences between the 2 maps?

Binning Wood in East Lothian is an interesting area, originally planted in 1707 by the 6th Earl of Haddington. The 6th Earl laid out Binning Wood with 13 rides converging at three different circles. The design has been compared to that of the Place Charles de Gaulle in Paris.

Thanks to ELO for the use of the map.
