Match the symbols to their correct description:

Finish

Control

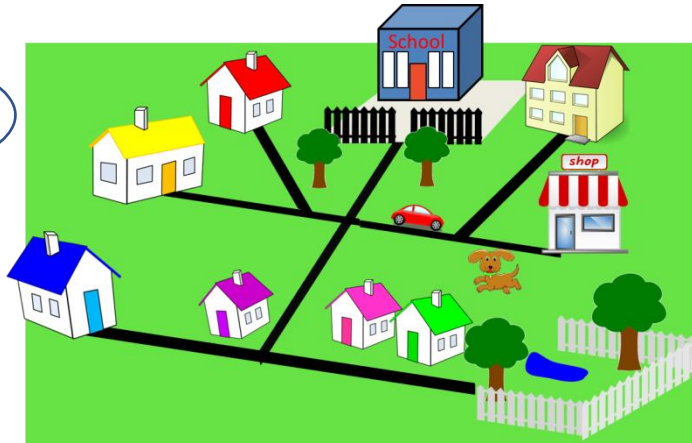

Start

Marking Courses

This is "Our Town" where we live

This is a map of "Our Town" with a course marked

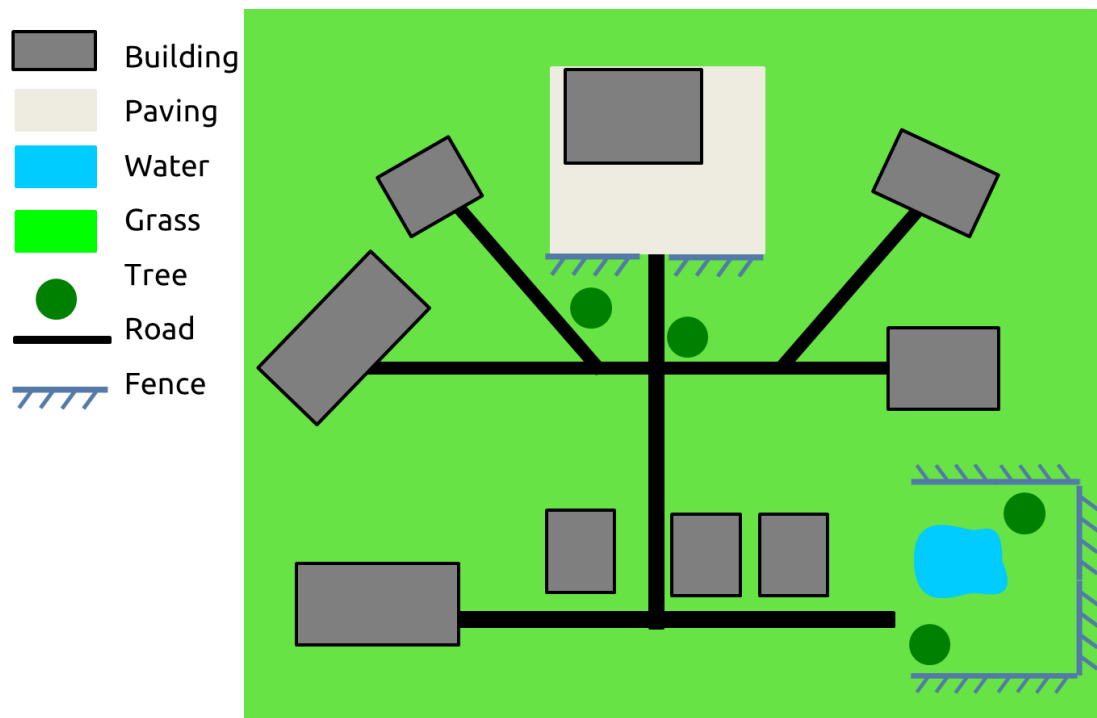

Toy Town Courses	
Course 1	2.1 km
▶	
1	62 Fence, West End
2	65 Prominent tree
3	63 Building, Northeast corner
4	61 Prominent tree
○ <	225 m > ○

Answer the questions below:

1. Which building is the start and finish located on? _____
2. What would be the control code number on control 2 at the tree? _____
3. What would I visit first the tree or the fence? _____
4. Which colour of house is control 3 located at? _____
5. Do I visit the control numbered 61 before or after the control numbered 62? _____

Draw a Course

On the map below, draw a course which starts at the shop visits the edge of the pond, the pink house, the yellow house and then the red house before finishing at the school. You have a start and finish controls and 4 controls with numbers 101, 107, 121 and 109. Remember to add the Control Description.

Additional Activities:

1. Follow the instructions to make some origami kites
2. Add a course to the map you drew for Part 1, put out some controls and get someone to try your course.
3. Get them to now set a course for you to follow.
